Registration. Linda Wright is handling spring registration. Mail “adds” to her at: 910 South Road, Belmont 94002. Include a self addressed stamped envelope and the turn around is quite fast—usually one day. She prefers mail. If you need to travel and drop off or pick up—101 to Ralston, cross El Camino, second right is South Road. Please do don disturb. Drop or pick up only! Passes and stickers are in process. Watch for email updates from Bill Johnson.

Fall Registration. This will be very different this year. Each Club will handle their own registration based on using the computer data base. Each team will have the same paper work to do as before; we will work through the Club registrar. Make sure team

representatives attend future Club meetings to be current on all information and tasks to properly register for the fall.

Treasurer's report. The only significant changes from the last meeting are the addition of teams and therefore more spring dues. **Teams not paid will travel downward in field assignments.** The current Treasurer's Report is available in the secured area of Club's web site.

Referees. Hill Huntington indicated that referee assignments were in the "offing"; be patient! Get you game schedules to Hill ASAP!

League representatives. The Thunder has agreed to provide a Club representative to attend the Redwood League Meetings (2nd Monday each month in Redwood City) and report back to the Club each month. Stanford FC will provide a representative for the Ambrozino Meetings (1st Wednesday each month) and also report back to the Club each month. Thanks to both teams for stepping forth with these volunteers!

Club Uniform. Juan Mayora once again opened discussion of a Club uniform for all teams and the discussion was again closed. Teams did agree to try and work together in smaller groups on group purchases and are encouraged to share needs and deals with other teams.

Next Meeting. APRIL 23, ROOM A3!! See you there.

There being no further business to come before the meeting, the meeting was adjourned.

Larry Aufmuth
Acting Secretary
