Guest Presentation: Lise Dumont from ASPN.com (American Sports Photo Network) gave a presentation of photography services specifically focused on sport activities and teams. ASPN.com offers 30 products (e.g. team photos, action) to individuals, teams, clubs or leagues. Team interest in this service should be emailed to Juan by October 7. Enough interest by teams may encourage the club to organize a 'club photo day'.

Field Space. JLS practice fields are almost without grass and Peter Fox reports underlying rocks are becoming exposed to surface on JLS 2. Chris Stirrat (who serves on city field planning committee) will contact Palo Alto in attempt to keep Greer 4 field open after October 1 to provide needed practice areas.

Schedules/Referees: Several teams requested assigning physically capable referees to older team (U13 and up) games. Juan will discuss future fall game assignments with Nancy Starr, including better availability of some club referees (i.e. their fall schedules are better known now).

Assistant Referees (i.e. linemen) need to dress in all black (i.e. black shoes, black socks, black shorts, black shirt). A request was made to publish an AR dress policy for non-certified referees (specifically youth referees). Juan has some referee uniforms that he may distribute to qualified ARs (e.g. youths).

Next Meeting: Next scheduled meeting is October 28, 2002, Cubberley Room A3.

There being no further business to come before the meeting, the meeting was adjourned.
